## Programme Outcome for Bachelor of Arts (B.A.)

A program outcome represents the knowledge, skills and educational attitudes of the students at the end of a degree program. Program Specific Outcomes means what the graduate students of a specific degree program should be able to do and Course Outcomes are the result of skills that the students acquire at the end of the course. It defines the cognitive and intellectual process a course provides. The IQAC guides the departments regarding the preparation of program outcomes, These are done by the departments, according to the university prescribed syllabus. The staff and student are made aware of aims and objective and program outcomes through meetings, orientation programs for teacher, staff members and student. Each department follows extensive discussions, according to the nature and scope of the Programmes and Courses offered by them, prepare Course outcomes.

The various curricular and co- curricular activities of the college enhance their academic capabilities and future potentials. The curricular and academic activities of the college are aimed at extending the quantitative and qualitative nature of the programmes offered, it ensures career orientation, skill development and the promotion of all the skillset. Along with the prescribed curriculum and traditional teaching methods like lectures, assessments, provision of notes, assignments etc. The teaching and learning methods streamlined for effective transfer of knowledge is carried out by making use of different innovative and teaching techniques that are student centric in approach place.

### **At the end of the program students will be able to :**

PO1: The students acquire knowledge in the field of social sciences, literature and humanities which make them sensitive and sensible enough.

PO2: A graduate student shall be confident to speak, write, read, listen and understand the English language and one or more Indian languages.

PO3: The B.A. graduates will be acquainted with the social, Economical, historical, geographical, political, ideological and philosophical tradition and thinking
