Vision-

"Bringing the tribal children in the 50 to 60 km area of Satpura to the mainstream of higher education for their holistic development."

Mission –

Through Gram Vikas Mandal Molgi Sanchalit Pragma Senior Arts College Molgi Taluka Akkalkuwa District Nandurbar we are committed to inculcate in the tribal youth a sense of responsibility towards people and a sense of community and national service through qualitative and moral education.

Our objectives

- 1) To spread education, to start vocational courses and various courses in primary Primary Secondary, Higher Secondary, Colleges of Art and Science and Commerce as well as agricultural schools and make the tribal community self-reliant by providing education.
- 2) To start various vocational courses in addition to agriculture including sheep rearing, goat rearing, dairy business, printing press, poultry rearing, etc.
- 3) To implement various schemes of the government for employment related small scale industries, khadi and village industries etc as well as various schemes for social welfare of the central government.
- 4) Helping women financially to rehabilitate them, start care centers for them, arrange education for them, etc. and try to make them self-reliant by imparting education.

- 5) To implement constructive schemes for women and child welfare
- 6) Implementation of schemes under rural development of the government including water sector development, social forestry etc.
- 7) To start charitable clinics, to organize health camps in tribal and rural areas of the district as well as in settlements of backward nomads, freed castes and tribes.
- 8) To create health awareness among women.
- 9) The rate of education of girls in Satpura is very low. For that, to create interest in the higher education of girls and to increase their quality of higher education, to give them qualitative education and to make them self-reliant.
- 10) To create awareness about education among the parents of the tribal community through the organization and guide them in providing higher education to boys and girls.
- 11) Use of new equipment to provide advanced education by adding modern science and technology to tribal students to survive in the age of competition.
- 12) The institution has been created keeping in mind the objective that the tribal community can develop intellectually, economically, socially, educationally through education.
- 13) To bring about the personality development of the students through various schemes implemented by the State Government Central Government University for the overall development of the students.
- 14) To mainstream the deprived section of tribal society from higher education.
